Management at the Hertiage Station once again showed their lack of supervisory skills and elected not to hear the grievance at its lowest level.

*After Ayda Alderte failed to settle this grievance it was then moved up and settled for a payment paying the clerks a total of **\$80,000.00***

Thanks to Steward Gina Martinez for filing this grievance. Members this is what happens when management is held accountable for violating the contract. Everyday violations of the contract exist so don't hesitate to ask to see a steward and file.
