National Pearl Harbor Remembrance is an annual national observance in the United States to observe the victims of the attack on Pearl Harbor on December 7, 1941. Please take time to Honor those service personnel that gave the ultimate act of heroism by helping preserve the protection of the United States.

On December 8, 1941, President Franklin D. Roosevelt asked Congress to declare war on Japan. In a speech to Congress, President Roosevelt called the bombing, ***“a date which will live in infamy.”***

We salute those who responded with strength and courage of our Nation.....
