EMERGENCY

The Executive Board Has Voted to Cancel the February General Membership Meeting due to the Inclement Weather.

The last few days many in the city have been hit hard with no power, snow, icy roadways, and no running water.

Many of our members are having to deal with household emergencies which include broken water pipes, caring for elderly and young family members, and ensuring their proper care.

The safety and well-being of our members is **OUR** main concern, and we hope that we can meet soon.
