## **THANKS TO ELECTION COMMITTEE**

**A Big Shout Out goes out to the Election Committee who stepped up to the plate in assisting with the recent Elections for the San Antonio Alamo Area Local. Although they were inexperienced, they did not allow it to keep them from learning and growing as members.**

**Their hard work and dedication are to be applauded and not scrutinized. Certain employees are complaining to certain members of the Election Committee that the candidate they supported was either NOT successful or they were upset with the uncertainty of the process of the Election itself.**

**This election had more members participated in the Election Committee than we had in 2018. It is a reflection that we have many members that want to be more involved with our union and move the Union forward.**

**Teaching new members to participate is always the goal of the veteran union member to find new members to participate. Now is the time to take the baton and continue running the race for the stability and forging on of the benefits of the American Postal Union Worker.**
